Flat panel furniture
Q 7120

This cabinet can support smaller screens, but a 46” screen will fit the best. The cabinet has 2 crystallite, tempered safety glass shelves which can be placed at different heights (3.2 cm increments) and it can be easily moved thanks to the hidden wheels. Side cupboards and a drawer can hold DVDs or CDs and the Cable Inlay System (CIS) will cleverly hide all your cables. This slim cabinet is available in two colors; White and High Gloss Black. With its unique and timeless design this cabinet fits perfectly in every interior.
